Do you have a heart for children? Do you desire to serve the orphan, the poor, and the vulnerable?

Mission teams have opportunities to visit a variety of ministries and orphanages in Colombia, including poor communities, special needs orphanages, the homeless population, and orphanages for both younger and older kids.

Your Mission Trip experience

Project Hope maintains strong relationships with local orphanages and ministries in Bogota. Through these relationships, groups are given many opportunities to see local ministries, get involved, and work to make a difference in the lives of children and families.

"I saw God the week I was in Bogota. He used our team and the people we encountered to shift my thoughts to focus on what He desires for me."

The cost of an 8-day trip to Bogota, Colombia in 2017 is $800 per person plus airfare.

This price includes all food, lodging, transportation, and sight-seeing in Colombia. Teams stay at the Project Hope Guest House, which is in a beautiful neighborhood in the northern part of the city.

2017 Trip Dates:
August 4-11
