

HELPING CHILDREN IN POVERTY FIND HOPE FOR A BETTER FUTURE

Project Hope Ministries

Congratulations to Daniel!

Congratulations to Daniel – the most recent high school graduate from the Prado Community Center!

Daniel has been a part of the Project Hope family for the past three years. He is a very talented student, and is hoping to attend University to become a systems engineer.

Daniel sends a big thank you to all of you that have helped to support his education. He says that he hopes to become a professional adult so that he can help his family. He says he knows his dream is big and difficult, but not impossible.

We agree, and we know that God has great things in store for his future!

We're proud of you, Daniel!

Have You Given to the 143 Campaign Yet?

It's Not Too Late!

The 143 Campaign is running through the end of December. We are praying and trusting God for big things through this campaign! Visit us at www.project-hope-ministries.org/143campaign/

143 CAMPAIGN

IN YOU THE FATHERLESS
FIND COMPASSION
HOSEA 14:3

Every Gift Makes A Difference!

Project Hope is growing, and we need your help to continue to meet the needs of the children and families we serve. Your gift will help ensure students receive an education, families remain together, and that orphans find a forever family.

Dinner Out for the Prado Kids

Last month, kids from the Prado Community Center experienced a dinner out at one of Colombia's most popular restaurants. The restaurant, Crepes & Waffles, is known for its ice cream as well as great dinners.

The dinner was a reward for doing so well in their weekly English class. For most of the kids, it was their first time having dinner in a restaurant. They loved the new experience!

A Successful Prado Benefit Concert

On November 2, almost 300 students came together to present the Prado Benefit Concert. Over \$3,500 was raised to help support the Prado Community Center. Local students were able to meet Caren and enjoy a meaningful day of music.

We are so thankful to our sponsors, the kids, the directors, and the many volunteers that made this concert successful.

If you missed it, you'll definitely want to join us next year!

We Love Win-Wins!

Our volunteers and staff work hard to create events and programs that benefit multiple groups of people. Here are just a few examples:

- The Prado Benefit Concert not only raises funds for the Community Center, but also gives local Battle Creek choirs the opportunity to spend the day together making music. We believe in the power of music, and this event is a one-of-a-kind. Choir directors get to spend a day together (very rare!), kids get to know other musicians, and the guest clinician is always from a local college – giving kids the opportunity to ask questions and consider a future in music beyond high school.
- The funds received from reservations for the Project Hope Guest House help keep programs going. When mission teams use the house, the funds received help us keep the cost low for adoptive families. When adoptive families pay, they help us maintain programs to kids in poverty in the Prado community.
- When you purchase jewelry for yourself or as a gift, you are supporting education for kids in poverty. As a result of this program, kids are graduating from high school and pursuing higher education and job skills. One kid at a time, future generations are being changed for the better.
- When people join mission teams, they not only make a difference in the lives of local families, but also come home changed. They become stronger advocates and better supporters of adoption, kids in poverty, and the needs of so many around the world.
- Volunteers spend their summers mowing hundreds of lawns for the Calhoun County Land Bank. Beyond raising funds for the ministries of Project Hope, the lawn maintenance improves the quality and beauty of the neighborhoods.
