

## **VOLUNTEER AGREEMENT**

As a volunteer with Project Hope Ministries, I understand that it is my responsibility to support the teaching staff in caring for and protecting the children in our programs.

### **Relationship with Jesus Christ**

I have a personal relationship with Jesus Christ, and I understand the importance of making this relationship a priority in my life. Project Hope exists to point children to Jesus, and I understand that without making this a priority in my own life, I cannot effectively lead others to Jesus.

### **Child Protection Policy**

I have read Project Hope's Child Protection Policy and I understand and agree to all policies listed. I will never be alone with a child. I understand that it is the job of the main teaching staff to handle discipline, and I will always respect the authority of the classroom teacher.

### **Background Check**

I understand that I must have a background check done before I am able to volunteer in the classroom. My results have been submitted to the lead teacher.
