

14th Annual Benefit Auction Sponsorship Opportunities

Project Hope would like to invite you to make a difference in the lives of vulnerable children by being a sponsor of our 14th Annual Benefit Auction. The auction will be held on April 13, 2024 and will raise funds to help children and families in several specific ways:

- Adoption grants for families who adopt older or special needs children.
- Education scholarships for children living in extremely poor areas. Without these scholarships, most of these children would not be able to attend school.
- After school tutoring and extra-curricular programs for our four Community Centers located in Bogota, Colombia which are offered to children living in poverty.

Sponsor ads will be displayed throughout the evening, promoted online, and will be distributed to approximately 150 guests in a take-home brochure. Sponsors can choose to support the Benefit Auction at varying levels:
